First Grade Homework #28

Week of May 6th, 2013

Due 5-10-13

Name:_____ Grade:_____

Be sure to attach all work in order to receive credit. Thank you.

1. Read: For at least 20 min. each night (either parent to child or child to parent). Please write how many minutes read each night:

M _____ T_____ W_____ TH._____

2. Spelling: The "oo" Sound as in moon and look

Spelling Words: book, moon, took, food, look, pool, zoo, noon, good, foot, instead, another

Challenge Words: rooster, booklet, wooden

Please choose 3 ways to practice your words. The activity list is in your daily folder.

_____ # _____ # _____

3. Math: Complete pages 211-218. Please attach it to your homework. Also study your math facts!

4. We have been learning about habitats. This week please write 5 sentences about your favorite habitat. Please include what you habitat is like (weather, description), animals and or plants that live there, and why it's your favorite. You may include what you would like to do or see if you went to visit that habitat. Check your writing for capitals and ending marks and use your best printing! Have fun!

5.____ Sight Word Folder: Study your next list and be sure to bring your folder back!

O-exceptional work, goes beyond and above expectations.
S-neatly done, complete and on
N-incorrect, incomplete and/or late.
U- work unattempted.

Comments/Reminders:

*Remember to read every night!

*Make your cereal box--see directions
