

# Writer's Workshop Project

## First Grade

Dear Parents,

Today we began our first Writer's Workshop unit. Your student was given a folder where they will be keeping their writing. We have always asked our students to take care of these folders as they hold such special memories, ideas, and other "treasures" from their imaginations. To help students make their folders a place for their most treasured ideas we would like for each student to bring in two photographs from home. These pictures will be taped to their writer's workshop folder, so they will not be returned. The photos should be personal to your family and include your student. A family photo, trip picture, sports photo, dance photo, picture with a pet, friends, etc. are all great ones to send in. Our hope is that these photos will spark ideas and memories as the students begin to write stories about their lives.

Please send photos in by Friday, September 26th.  
Thank you for your help!

Sincerely,

The First Grade Team
